## Overview

Michael is a partner in the firm's Litigation Department.

For almost five decades, he has served as lead counsel in some of the most notable civil litigation actions throughout the state. He has been repeatedly recognized by *Best Lawyers in America*® in the categories of Bet-the-Company Litigation and Commercial Litigation, among others, and Benchmark Litigation identifies him as among the Litigation Stars in Hawaii.

As a trial lawyer, arbitrator, construction adjudicator, and mediator, he has sought to resolve disputes involving antitrust and trade law and regulations and issues grounded in business, commercial, construction, contract, financial, insurance, intellectual property, product liability, and real estate disagreements.

In those matters, clients have expressed their opinions on his representation; with some conveying their "deepest appreciation for [Michael's] invincible determination" and his "competency."

Recent illustrations of those opinions include the following:

*Michael is by far the best attorney I have ever worked with. He has an energy level and ability to map out and execute a strategy that is unmatched.*

– *Chambers and Partners, USA Guide, 2024*

*I feel as though I haven't adequately thanked you for all that you've done for us. The thought, craftsmanship, subtleties and wordsmithing that went into each filing, each letter, every document, was simply amazing. As you helped us through this process from the very beginning, as you worked with us and strategized with us, it almost seemed as though you were of the same cloth. You always gave more than 100% whatever you did to help us, and I just wanted to send you a heartfelt mahalo.*

*As I have said to anyone who will listen, the work that you and your firm did for us over many years was exemplary in every respect. You are indeed one of the very best that I have ever seen. Even more important, I treasure the friendship with you that was formed in the crucible of the lawsuit. I hope that we can continue to stay in touch, and when my Hawai'i bucket list trip is coming up, you will learn about it well in advance.*

*– Partner and General Counsel of a national law firm providing legal and public affairs solution to clients worldwide, and a Fellow of the American College of Trial Lawyers, November 11, 2021*

Michael Heihre is a preeminent practitioner with vast expertise in complex disputes, including those involving antitrust, construction, and real estate claims. *“He is in the first rank of any trial lawyer in the country,” states one source, while another notes that he “really stands out for his litigation skills in preparing and presenting in trials.”*

*– Chambers and Partners, USA Guide, 2020*

*Lastly, I want to convey my congratulations to Mike and your entire team for such a resounding victory on so many fronts. It was a pleasure to work with every single person on your team. In my 32 years in practice, I have never worked with a trial team that was so uniformly qualified, dedicated, professional and, most surprisingly, cheerful and friendly. While I could not be happier for [client], I will miss working with your team, which was one of the joys of my career!!!*

*– National Mainland Trial Consultant, June 12, 2019*

*It has been an honor and great pleasure to work with you on this matter. You are the kind of litigator I wish every law student could grow to be. I sincerely hope our paths cross again sometime in the future.*

*– Retired Law School Professor and Trial Expert, June 17, 2019*

Michael's practice has been shaped by early experiences as pro bono lead counsel in land use, zoning, evictions, and native Hawaiian rights cases in federal and state courts. There, he gained a deep appreciation for the power of the law and the consequential social, cultural, and political impact of effective legal representation when aligned with the client's mission, vision, and values.

Michael is an avid sports fan, particularly of Olympic sports and the Olympic Movement. He holds a certificate from the Asian International Arbitration Centre for successfully completing a course on compliance with national and international standards in athletic competitions.
